**RE: Proposed Administrative Procedure Change**

**MCL National Administrative Procedures: Enclosure (3) Three: Uniform Code, Marine Corps League – Female Uniform – Earrings (multiple locations)**

In accordance with Marine Corps League (MCL) National Administrative Procedures Manual, Section 10020, I submit the following proposal to revise the existing MCL Uniform Code in the *MCL National Administrative Procedures Manual: Enclosure (3) Three – MCL Uniform Code*.

Current: Earrings, (optional) small white pearl (or pearl like) or gold ball, not to exceed 9mm. When worn, earrings will fit tight against the ear and will not extend below the ear-lobe.

Proposed Change: Earrings, (optional) ~~small white pearl (or pearl like) or gold ball, not to exceed 9mm.~~ When worn, earrings will fit tight against the ear and will not extend below the earlobe.

Note: Strike the only two options and correct the spelling on earlobe.

Rationale: There are many that have small earrings that are EGAs, diamond studs, or other shapes or shades. When worn professionally, there should not be only two options for wear while in uniform.

Respectfully submitted,  
G. Victoria McCoy  
Marine Corps League Member
